WHAT YOU'LL NEED

L&F CBD 3-in1 Molecular Mender is an intense professional reparative + preventative service that instantly reconstructs damaged hair, infuses anti-humectant properties and seals split ends - delivering long-lasting results for up to 10 washes. It's specifically formulated for use with the **L&F CBD Corrective Complex Boost** to help provide immediate repair to dry, damaged hair.

HOW TO PERFORM THE TREATMENT

WASH:

Shampoo hair using warm water. For best results, use **L&F CBD Instant Damage Correction Shampoo**.

MIX:

Pump 1oz./30mL (6 pumps) of **L&F 3-in-1 Molecular Mender** into a clean color bowl. Squeeze **L&F CBD Corrective Complex Boost** into the measuring cap. Measuring Guide:

- ½ of attached cap for fine/short hair
- 1 full cap for thick/long hair

ADD:

L&F CBD Corrective Complex Boost to **L&F CBD 3-in-1 Molecular Mender** and mix thoroughly

APPLY:

Use an applicator brush to apply mixture to slightly damp hair from roots to ends. Comb through to ensure even distribution. Place a plastic cap on hair and process under medium to high heat for 15-20 minutes, using your professional judgement.

FINISH:

Rinse hair with cool water. Do not shampoo. Style hair as desired.

AFTERCARE MAINTENANCE

After receiving the **L&F CBD 3-in-1 Molecular Mender**, we recommend clients use the following **L&F Aftercare** products to maintain the reparative and preventative benefits as hair is washed and styled in between treatments.

L&F CBD Instant Damage Correction Shampoo with color care is infused with a proprietary, sulfate free, plant-based CBD Corrective Complex that provides corrective cleansing while restoring damaged areas that attract dirt and build up.

L&F CBD Instant Damage Correction Conditioner with color care is infused with a proprietary, plant-based CBD Corrective Complex that works to reduce damage and noticeably strengthen each strand - for less breakage and improved manageability.

L&F CBD Instant Frizz Remedy is the ultimate humidity fighting solution, activated by heat, for dry/damaged hair. Hydrophobic properties instantly combat frizz - effectively eradicating repeat humidity offenders.

L&F CBD Phyto-Molecular Oil is a non-greasy formula designed to optimize total hair and scalp vitality.
